

WHAT IS SEXUAL ASSAULT?

Sexual assault or sexual abuse is defined as any involuntary sexual act where a person is forced or pressured into doing something against their will. The victims of sexual assault can be a man or a woman, adult or child.

DIXI OFFERS

DIXI Resource Center against sexual assault is a free service for those who have experienced sexual assault and their next of kin. We are not a treatment facility, but guide you to self-help. Everyone who works at DIXI are skilled with broad experience in the field.

At **DIXI** we offer victims or their next of kin someone to talk to in a safe arena where we together can create hope for the future.

Our offer is free, you do not need a referral from the doctor and we are bound by a duty of confidentiality.

- Counseling for victims and their next of kin
- Self-help groups for victims and their next of kin
- Free legal aid
- Telephone, mail and Skype calls
- Help to get in touch with the welfare system

Lectures, seminars and information to support services and other interested!
